

# SUPPORT THE RHINOS

## Tom's Story:

Tom was born with Spina bifida, and suffered with low self esteem. At the age of 13 Tom joined the rhinos sporting section for wheelchair basketball and has never looked back, now aged 22 he's enjoying travelling all over the world to play the sport he loves not just with the Rhinos super league team but with GB junior's wheelchair basketball and maybe Team GB 2012

Tom is one of the outstanding young men that have grown up enjoying wheelchair sport, if you can help to raise much needed funds for the charity you can help someone like Tom make his dreams come true.

Please visit the website or call the number below for an information pack on treks overseas
